ECG MANAGEMENT CONSULTANTS
A Siemens Healthineers Company

MD RANGER®
Powered by ECG

Technology Powered By ECG

Standardize and streamline the FMV process with MD Ranger.

At last, a single source for all physician transaction benchmarks with powerful tools for market rate documentation, analytics, monitoring, and audits.

- **Identify the precise benchmark you need instantly** to determine the most appropriate, compliant rates.
- **Access an unmatched scope of benchmarks** with 1,500+ benchmarks ranging from ED call to medical direction and hospital-based stipends.
- **Automate FMV documentation** and save money on outside valuations.
- **Compare physician costs, contracts, salaries, and productivity** to similar organizations, and analyze spending across your health system or medical group.
- **Rely on MD Ranger's large database and sample sizes** to provide stable benchmarks.
- **Evaluate commercial reasonableness** using statistics that capture the percentage of hospitals paying for a service.

AVAILABLE BENCHMARKS

Call coverage per diems, per activation, per episode

Medical director hourly rates, annual hours, annual rates

Physician administrative and leadership roles like quality, care/case management, chief of staff, and more

Hospital-based physician stipends and other payments, including incentive components

Clinical hourly rates

Diagnostic testing

Telemedicine arrangements

Locum tenens rates

Match your organization to available benchmark slices:

Trauma status

Bed size

Average daily census

Teaching status

Urban vs. rural location

Payer mix

Experience a product tailored for the FMV process that saves time, money, and resources:
